NOTICE OF OPPOSITION

Amylin Pharmaceuticals, Inc., a corporation organized under the laws of Delaware and having a business address 9360 Towne Centre Drive, San Diego, California 92121, believes that it will be damaged by the registration of the above-identified mark and hereby opposes the same. The required fee for filing this Notice of Opposition in one class is submitted herewith. If any additional fees are due, please debit Account No. 03-2775.

As grounds for this opposition, it is alleged that:

1. For many years, Amylin Pharmaceuticals, Inc. (referred to as “Amylin” or “Opposer”) has been and now is engaged in the development, manufacture, distribution and sale of a variety of pharmaceutical products and the rendering of various educational and informational services in the pharmaceutical and medical fields, including but not limited to,

developing medicines and treatments for diabetes, obesity and other metabolic diseases and providing information on such topics and related topics such as cardiovascular benefits.

2. Amylin is the owner of U.S. Trademark Registration No. 1,866,180 (the “‘180 Registration”), which issued on December 6, 1994, for the AMYLIN mark for the goods “pharmaceutical preparations for the treatment of metabolic disorders,” in class 5. The ‘180 Registration claims a date of first use of at least as early as September 23, 1992. This registration is in full force and effect as evidenced by the attached printout from the United States Patent and Trademark Office (the “USPTO”) electronic database records at Exhibit A. The ‘180 registration is incontestable.

3. Amylin is the owner of U.S. Trademark Registration No. 3,535,623 (the “‘623 Registration”), which issued on November 18, 2008, for the AMYLIN mark for the goods “pharmaceutical preparations, namely, pharmaceutical preparations for use in the treatment and prevention of metabolic disorders, endocrine conditions and disorders, glucoregulatory disorders, diabetes, diabetic complications, hormonal diseases and disorders, overweight and obesity,” in class 5. The ‘623 Registration claims a date of first use of at least as early as April 27, 2005. This registration is in full force and effect as evidenced by the attached printout from the USPTO electronic database records at Exhibit B.

4. Amylin is the owner of U.S. Trademark Registration No. 3,535,622 (the “‘622 Registration”), which issued on November 18, 2008, for the AMYLIN mark for the goods “pharmaceutical preparations, namely, pharmaceutical preparations for use in the treatment and prevention of metabolic disorders, endocrine conditions and disorders, glucoregulatory disorders, diabetes, diabetic complications, hormonal diseases and disorders, overweight and obesity,” in

class 5. The '622 Registration claims a date of first use of at least as early as April 27, 2005.

This registration is in full force and effect as evidenced by the attached printout from the USPTO electronic database records at Exhibit C.

5. Amylin is the owner of U.S. Trademark Registration No. 3,282,390 (the “‘390 Registration”), which issued on August 21, 2007, for the AMYLIN mark for the services “educational services, namely, arranging and conducting medical educational conferences, exhibitions, training courses, and seminars in the fields of medicine, pharmaceuticals, and medical science; development and dissemination of educational materials for others in the fields of medicine, pharmaceuticals and medical science,” in class 41. The ‘390 Registration claims a date of first use of at least as early as June 30, 1994. This registration is in full force and effect as evidenced by the attached printout from the USPTO electronic database records at Exhibit D.

6. Amylin is the owner of U.S. Trademark Registration No. 3,282,373 (the “‘373 Registration”), which issued on August 21, 2007, for the AMYLIN mark for the services “educational services, namely, arranging and conducting medical educational conferences, exhibitions, training courses, and seminars in the fields of medicine, pharmaceuticals, and medical science; development and dissemination of educational materials for others in the fields of medicine, pharmaceuticals and medical science,” in class 41. The ‘373 Registration claims a date of first use of at least as early as March 20, 2005. This registration is in full force and effect as evidenced by the attached printout from the USPTO electronic database records at Exhibit E.

7. Amylin is the owner of U.S. Trademark Registration No. 3,282,372 (the “‘372 Registration”), which issued on August 21, 2007, for the AMYLIN mark for the services “educational services, namely, arranging and conducting medical educational conferences,

exhibitions, training courses, and seminars in the fields of medicine, pharmaceuticals, and medical science; development and dissemination of educational materials for others in the fields of medicine, pharmaceuticals and medical science,” in class 41. The ‘372 Registration claims a date of first use of at least as early as March 20, 2005. This registration is in full force and effect as evidenced by the attached printout from the USPTO electronic database records at Exhibit F.

8. Amylin is the owner of U.S. Trademark Registration No. 3,532,401 (the “‘401 Registration”), which issued on November 11, 2008, for the AMYLIN mark for the services “providing medical information in the field of pharmaceuticals by distributing literature, by telephone, and by the Internet,” in class 42, and “medical services, namely, staffing a 24 hour phone line to provide response to questions from patients and health care providers; providing medical information by distributing literature, by telephone and the Internet,” in class 44. The ‘401 Registration claims a date of first use for the class 42 services at least as early as March 31, 2005 and claims a date of first use for the class 44 services at least as early as June 18, 2008. This registration is in full force and effect as evidenced by the attached printout from the USPTO electronic database records at Exhibit G.

9. Amylin is the owner of U.S. Trademark Registration No. 3,282,371 (the “‘371 Registration”), which issued on August 21, 2007, for the AMYLIN mark for the goods “manuals, brochures, newsletters, reports and printed information sheets in the medical and pharmaceutical fields,” in class 16. The ‘371 Registration claims a date of first use of at least as early as March 20, 2005. This registration is in full force and effect as evidenced by the attached printout from the USPTO electronic database records at Exhibit H.

10. Amylin is the owner of U.S. Trademark Registration No. 3,372,846 (the “‘846 Registration”), which issued on January 22, 2008, for the AMYLIN mark for the goods “sound and video recordings containing medical and pharmaceutical information; image slides containing medical and pharmaceutical information; computer software for presenting medical and pharmaceutical information,” in class 9. The ‘846 Registration claims a date of first use of at least as early as April 29, 2005. This registration is in full force and effect as evidenced by the attached printout from the USPTO electronic database records at Exhibit I.

11. The marks of the ‘180 Registration, the ‘623 Registration, the ‘622 Registration, the ‘390 Registration, the ‘373 Registration, the ‘372 Registration, the ‘401 Registration, the ‘371 Registration, and the ‘846 Registration, are collectively referred to as the “AMYLIN Mark.”

12. Opposer has used the mark AMYLIN for goods/services in the United States since at least as early as 1992. As a result of Opposer’s long use of the mark AMYLIN and the high quality of its goods and services, and in view of Opposer’s advertising, promotion, and/or sale of the goods and services in association with the mark AMYLIN, the AMYLIN Mark has a distinctive quality and is known to the relevant trade and public as identifying and distinguishing Opposer’s goods and services.

13. Amlin Health, LLC (“Applicant”), a Maryland limited liability company with an address listed with the USPTO of 119-132 415 Hungerford Drive, Rockville, Maryland 20850, filed an application on July 28, 2010 for the mark “Dr. Amlin & Design” (“DR. AMLIN”) for the goods “dietary and nutritional supplements; dietary supplements; vitamins,” in class 5 (“Applicant’s Goods”). This application was assigned Application No. 85/094,790 (the “‘790

Application”) and claims a date of first use in commerce of July 15, 2010. The specimens of use submitted to the USPTO for the ‘790 Application are attached at Exhibit J and the labels indicate, *inter alia*, the product(s) “supports cardiovascular health” and “supports immune system.”

14. There is no issue of priority. Upon information and belief, Applicant acquired no rights in DR. AMLIN in the United States before Amylin acquired rights in the AMYLIN Mark.

15. Upon information and belief, Applicant acquired no rights in DR. AMLIN in the United States before July 28, 2010.

16. Upon information and belief, Applicant acquired no rights in DR. AMLIN in the United States before July 15, 2010.

17. Upon information and belief, Applicant acquired no rights in DR. AMLIN in the United States before June 15, 1992.

18. Applicant has applied to register DR. AMLIN for the goods “dietary and nutritional supplements; dietary supplements; vitamins,” in class 5, the same class of goods for which the AMYLIN Mark is registered. Applicant’s Goods are closely related to, overlapping with and/or treat related or overlapping conditions as the Amylin goods/services. On information and belief, Applicant’s Goods will be distributed to at least some of the same classes of consumers and at least through some of the same channels of trade as the Amylin goods/services. As applied to Applicant’s Goods, Applicant’s DR. AMLIN mark so resembles the Opposer’s mark AMYLIN as to be likely to cause confusion, or to cause mistake, or to deceive as to the source of the goods.

19. Amylin will be damaged by Applicant's registration of DR. AMLIN for the class
5 goods identified in the '790 Application as a result of the aforementioned confusion, mistake
and deception.

WHEREFORE, Opposer prays that this Opposition be sustained, and the registration
sought by Applicant be refused.

Respectfully submitted,

Amylin Pharmaceuticals, Inc.
